## Education

- 2006 to 2011**                    **Industrial Engineering and Management, Chalmers University of Technology, Sweden (Ongoing)**  
My aim is at a master of science degree in Quality and Operations Management by 2011. During 2009-2010 I was admitted into Chalmers exchange program WorldWide for studies in Singapore.  
  
Bachelor thesis: *The Assembly Line of Tomorrow with Regard to Yesterday's Experiences* focused on creating an economical, ecological and sociological viable and improved assembly line.
- 2009 to 2010**                    **Management of Technology, National University of Singapore, Singapore (Ongoing)**  
Exchange student. The following courses are examples: Decision Analysis, Research Methodology, Intellectual Property (IP) Management, Creativity and Innovation, IP Law, Service Innovation Management, and Corporate Entrepreneurship.
- 2009-07**                         **Chinese Mandarin, National Chiao Tung University Taiwan**  
During the summer of 2009 I took a course in practical Chinese mandarin. (國立交通大學)
- 2003 to 2006**                    **Göteborgsregionens Tekniska Gymnasium (GTG), Sweden**  
GTG is an upper secondary school and a joint venture between Gothenburg's local authority, AB Volvo and Volvo Cars. I studied a specially-designed technical program with university path and vocational major technical science.

## Working Life Experience

- 2009-01 to 2009-04**            **Tutor, Computer Labs.** Chalmers University of Technology.  
I was a tutor in a foundation course in Java programming. This was a part time work beside my studies.
- 2008-06 to 2008-09**            **Forklift Truck Driver.** Volvo Cars Central Distribution Center.  
This was my job during the summer.
- 2007-06 to 2007-09**            **Car Assembler.** Volvo Cars engine plant "Bulycke".  
I worked as an assembler at the assembly line. This was my job during the summer.
- 2003 to 2006**                    **Work Placement.** Volvo Group and Volvo Cars.  
During my time at GTG I had totally 23 weeks of work placement within production, production support and product development (Research & Development) at Volvo Cars and within the Volvo Group.

## Volunteer Work

2008-08 to 2009-04

### Course Leader

I was a part of a team consisting of five persons, which developed and held a course in team building. The course was held for about 50 scouts in the age of 15 to 18.

2007 to 2009

### Member of an Election Committee

I was member of the election committee for the scouts of Gothenburg association. My responsibility was to find and interview new candidates for the board of 2009.

2007-05 to 2007-10

### Administrative Official of Volunteers

I was one of the responsible to answer and place volunteers in a camp organization for the scout camp Jiingijamborri. Jiingijamborri consisted of about 2500 volunteers and 18 000 participants.

## Awards

2009-08 to 2010-06

### Dr. Marcus Wallenberg Foundation for Education in International Industrial Business

Scholarship granted for aptitude and interest in international business covering expenses for studies in Singapore.

2009

### Achievement of the Year, Scouts of Gothenburg Association

The course my team held in team building was awarded the prestigious *achievement of the year* by the scouts of Gothenburg Association.
